THE NEW FRENCH REMEDY.

THERAPION.

This successful and highly popular remedy, as employed in the Continental Hospitals by Ricord, Rostan, Jobert, Volpau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed.

THERAPION No. 1, in a few days only, removes all discharges from the urinary organs, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases, in dysentery, piles, irritation of the lower bowel, cough, bronchitis, asthma, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief where other well-tried remedies have been powerless.

THERAPION No. 2, for impurity of the blood, security, pimples, sores, blotches, pains and swellings of the joints, secondary symptoms, disease of the bones, sore throat, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of the sufferer's teeth and ruin of health. This preparation purifies the whole system through the blood, and thoroughly eliminates every poisonous matter from the body.

THERAPION No. 3, for nervous exhaustion, waste of vitality, and all the distressing consequences arising from early error, excess, residence in hot, unhealthy climates, &c. It possesses surprising power in restoring strength and vigour to the debilitated.

THERAPION may be procured at 3/6 and 4/6 per package, of the principal Chemists and Merchants throughout the world. In ordering, the purchaser should state which of the three numbers he requires, and observe that the word "THERAPION" appears on the Government Stamp (in white letters on a red ground) affixed to every genuine package by order of Her Majesty's Govt. Commissioners, and without which it is a forgery.
